CARPENTERS' CLUB PLEDGE CARD

Yes! I want to join Habitat for Humanity's Carpenter's Club and pledge my support for future builds!

Name _____
Address _____
City, State, ZIP _____
Phone #s _____
E-mail Address(es) _____
Date _____

Please accept my pledge for a tax-deductible donation in the amount of:

\$25 \$50 \$100 \$_____ (other)

each time Habitat builds a house (currently about once or twice a year).

Mail, fax or e-mail this form to Habitat for Humanity of St. Francois County.

When we begin building another house, Carpenters' Club members will be notified that it's time to donate their pledged amount. This notice will include information about the home's location, a picture of the empty lot, some information about the family, and a self-addressed donation envelope.

When the house is finished, Carpenters' Club members will receive an invitation to the House Dedication ceremony as well as a thank-you letter with a picture of the completed house and a note of thanks from the family.

Thank you for your support!
