

# Volunteers Make It Happen!

***Habitat for Humanity St. Francois County home ownership is made possible through volunteers just like YOU!***

Dear Volunteer,

Thank you for your interest in volunteering your time and talents to assist Habitat for Humanity St. Francois County (HFHSFC).

HFHSFC is a nonprofit, ecumenical, Christian housing ministry that partners with families to build safe, decent, affordable homes. HFHSFC then sells these homes at no profit and low to no interest to partner families who could not otherwise afford their own homes.

We have volunteers participating in a variety of areas & we are certain you will find a great fit for you, your talents & interests. Some volunteer only a few hours a month, others spend several hours per week. Some volunteer from home, while others donate their assistance at fund-raisers. All volunteers have control of what they do and how many hours they spend volunteering. There is a wide variety of volunteer opportunities and many of them do not include swinging a hammer, so there is something for everyone!

***Some of the areas that need your help...***

Family Selection Committee: orientation of Applicant Families - including assistance filling out application, checking references, visiting Applicant Families.

Family Support Committee: provides families with a family partner to ensure successful homeowners, networks with community agencies.

Development Committee: public relations and fund-raising

Faith Engagement Committee: works with churches to develop mutually beneficial relationships, perform outreach and guidance in accordance to Gods love.

Building Committee: assists with home design, procurement of materials, supervising building of the home, and site selection.

Volunteer Coordinators: tracks, sign-in volunteers on work days, organizes volunteer activities.

Lunch Service: provides and serves lunch on site.

Restore: pick up donations, ask for donations, work in the store.

Office: assist in filing, mailings, etc.

Donations: all donations of all kinds are greatly appreciated and make our mission possible. Whether its money, a hammer, a pizza, a coupon, something for the build-site or something for the restore we are thankful for your gifts.

Prayer: sometimes the biggest impact you can make on a mission like this is through prayer.

These are just a handful of the ways that volunteers can help! We can only provide simple, decent housing with your help, so we thank you for your consideration!

We need you! We appreciate our volunteers who partner with us to help make a difference in our surrounding communities and in the lives of those around us!

I am sure that you will find volunteering for HFHSFC a very rewarding experience. We look forward to working with you!
